**Report requested under s131 CoCA 2004 provisions completed on:
3 June 2022**

Child subject of the application

Name of child: Kxxx Sxxx Bxxx (“Kxxx”)

Date of birth: xxx

Parties to the application and relationship to child

Applicant: Jxxx Hxxx Bxxx (“Mr B”, father)

Respondent: Dxxx Lxxx Cxxx (“Ms C”, mother)

Information recorded in Oranga Tamariki—Ministry for Children (the Ministry) database (CYRAS) for the persons named in the application

Reports of concern for Kxxx

Five reports of concerns have been received for Kxxx:

- 14 August 2021
- 12 October 2021
- 24 December 2021
- 24 December 2021
- 18 March 2022.

Concerns centre on the care environment with Ms C and include being exposed to older siblings’ substance misuse and behaviour, verbal abuse, sexual assault of sibling by older sibling, and in March 2022 concerns that Kxxx was living with adults with sexually harmful behaviours. No formal assessment was completed for the August 2021, October 2021 and March 2022 reports – however, findings of sexual abuse against an older sibling and an unknown male for an older sibling are noted for the two December 2021 reports.
