### PURPOSE AND SCOPE

What is the purpose of this report?

Why is Oranga Tamariki currently involved?

Who has been involved in this assessment?

### CONTEXT

What is the current situation, or the circumstances, prompting this report?

### BACKGROUND

What do we know about this whānau or family and significant people - who they are, their roles, relationships, norms, and experiences?

### APPROACH AND INFORMATION GATHERED

Outline the approach taken, and information drawn on, to build understanding (including the views and insights of tamariki, whānau and others)

### ANALYSIS

Apply analysis to the information above.

Demonstrate the impacts on oranga for tamariki, rangatahi and their whānau, family, caregiving whānau, victims of offending and the community, and explain the conclusions drawn.

### ASSESSMENT OUTCOME

Record findings with a clear rationale as it relates to the reason we are involved.

What are the decisions or recommendations and what needs to happen next?

What are tamariki, rangatahi, whānau, family and others' (including professionals and any victims) views about the decision or recommendations?
